Respondent In Pro Per

UNITED STATES COPYRIGHT CLAIMS BOARD

DAVID G. OPPENHEIMER,

Claimant,

vs.

DOUGLAS A. PRUTTON.

Respondent.

CLAIM NUMBER; 22-CCB-0045

**DECLARATION OF MARIANA C.
PRUTTON SUPPORT OF
RESPONDENT'S STATEMENT**

I, Mariana C. Prutton, declare as follows:

- (1) My name is Mariana C. Prutton. I am the daughter of the respondent Douglas A. Prutton in this matter. I have been licensed in California as a licensed marriage and family therapist since July 2018. I am a competent adult.
- (2) Several years ago I offered to help my father with his business website. He agreed and I made some changes to his website. As part of those changes I believe I may have

1 downloaded a photo of the federal courthouse in Oakland, California and put it on his
2 website. I do not recall where I located the photo on the internet.

3 (3) I do know that the photo I downloaded from the internet of the federal courthouse did not
4 have any copyright information visible on the image. There were many photos of that
5 courthouse on the internet that did not have any copyright information on them. I would
6 not have selected one that had such information on it. There would have been no reason
7 to. I also did not crop the image so that any copyright information could not be seen. I
8 would not have removed any copyright information as I do not even know how to do that.
9 I do not even know if that is possible.

10
11
12 I declare under penalty of perjury under the laws of the State of California that the
13 foregoing statements are true and correct. Executed at San Francisco, California.
